## PROJECTS

**ADHERENCE OF IRON AND FOLIC ACID SUPPLEMENTATION AMONG PREGNANT WOMEN ATTENDING ANTENATAL CARE SERVICES IN GONDAR TOWN HEALTH CENTER, NORTHWEST ETHIOPIA, 2019**

2019-01-15- 2019-06-30

Based on the finding of this study, more than two third of pregnant mothers attending ANC at Gondar town health centers had good adherence to Iron-folic acid supplement which is higher than studies conducted at different areas in Ethiopia.
